

FABRICS

FREQUENT AND INTENSIVE SWIMMERS

Resilience and durability in the form of a fabric. MaxLife is the ultimate textile for intensive swimming. With powerful resistance to chlorine degradation, it retains shape longer and outperforms other technical materials. Enjoy the feel of a high-quality Italian fabric that moulds perfectly to the body and combats the wear and tear of serious training. Strong enough for the outdoors with built-in UV protection and quick to dry, MaxLife performs like new season after season.

CUTS

Choosing the right swimwear for your swimming needs can make a lot of difference. The fit should be snug but not tight.

Good fitting swimwear stays in place when swimming.

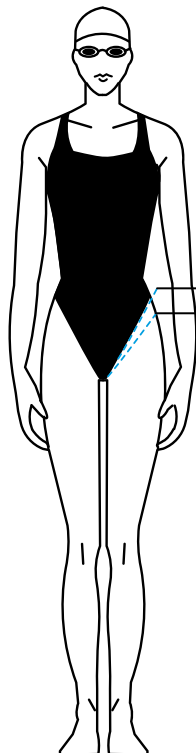

Good swimwear increases your efficiency in water and keeps you feeling comfortable whilst swimming.

The right swimwear provides comfort, coverage as well as support and freedom of movement.
